Re: Manchester stone house
built by block mason.

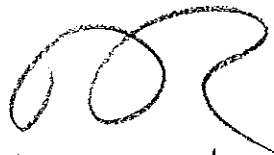

Talked to exec of estate that
owns it. She said in 6 mos
when estate is settled house will be
owned by her or her brother.

If she becomes owner, she wants
to fix it up. Brother is against
everything; he is a problem.

Meanwhile, she heard a
long sad story from some one
who wanted to put vinyl siding
on a house and was given
a hard time. I made a

long speech but I suspect this
is a goner.

She said she
surely would not go ahead with
NR until after estate is
settled.
